A functional workplace divider for shared desks. AK 3 Workplace Divider Standing has a friendly appearance and soft texture thanks to its rounded PET Felt shell. Reinforced with acoustic filling, it also provides a gentle sound-dampening effect. AK 3 comes with steel feet, allowing to easily place and move it on the tabletop. The divider is available in 11 PET Felt colour blends and suitable for offices, co-working spaces and schools.

Care & Maintenance

For regular care, we recommend dusting or vacuuming PET Felt occasionally. Most stains can be easily cleaned with water. It is advised to dab the contaminated surface with a dry cloth while it is wet. Do not rub PET Felt to avoid excessive pilling and let the material dry naturally. If water is not sufficient, stubborn stains can be removed with professional cleaning products like the James cleaning set.
